

PARENTS NIGHT OUT!

**Saturday
6pm-9:30pm**

Every child will have a blast while parents take the night off and go on a date or just take the night off.

The night starts out with a Taekwondo lesson, followed by pizza and a movie. Games and actives follow after a discussion about the main lessons learned from the movie. The night wines down with a calming meditation to get kids ready to go to sleep after being picked up.
